

To improve congestion when entering and exiting the bus, please use the front door to enter and the back door to exit.

Please wait for passengers to exit the bus before boarding.

CABS buses stop at every designated campus bus stop; you **do not** need to press the stop bar or pull the cord.

For your safety, CABS buses are permitted to pick up or drop off passengers at designated campus bus stops **only**.

All CABS buses are equipped with wheelchair lifts.

If standing on a bus, hold on to vertical bars or seat back handles.
