ATTN: Paratransit Services

The Ohio State University adapted transportation system is available to all faculty, staff, and students with a permanent or temporary disability. The system is operated by Transportation and Traffic Management in conjunction with Disability Services. Transportation and Traffic Management coordinates the assigning and training of van drivers, vehicle maintenance, daily schedules, approves off campus trips, operates the paratransit services dispatch telephone line, certifies, and establishes system policies. Disability Services certifies eligible riders, establishes priorities and reviews rider concerns.
